No. C/144 OFFICE OF THE COMMISSIONER OF INCOME TAX IN MYSORE.
49-50.

CAMP, MYSORE, DATED 27TH OCTOBER 1949.

To Enc. 1.

CB
29.10.49

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

Sub:- Relief from double Income-Tax etc.,

With reference to your D.O. No. 3756-68/C.B. dated 14th October 1949, I have the honour to state that reciprocal arrangement for double Income-Tax Relief was entered into only with the Government of India as set out in paras 13 to 20 of the Mysore Income-Tax Manual (pages 103-to 109) which is extracted in the enclosure to this. The original files relating to this question are in the Secretariat but, from the information available in this office, it is seen that the arrangement is based on the agreement concluded between the two Governments, at a meeting of the representatives of the two Governments held at Delhi in 1919. The decision arrived at as above was implemented at our end by amending the Mysore Income-Tax Act suitably while the Government of India merely issued administrative instructions, except that, with regard to Mysore Government securities, a notification was issued under Section 60 of the Indian Income-Tax Act. The memorandum and the subsequent correspondence will be found set out at pages 132 to 138 of Mysore Income Tax Manual Part II.

The above was supplemented at a subsequent stage by providing for the allocation of manufacturing and merchanting profits as in para 19 (A) of the Mysore Income Tax Manual. This was at the instance of the Government of India as a result of the recommendations of the Vaccha Committee report 1936 on the Income Tax Act.

The last item of relief from double taxation to be agreed upon with the Government of India was with respect to income from dividends and profession, which was initiated by this Government and concluded in 1930 as set out in para 20 of the Mysore Income-Tax Manual.

Yours Faithfully,

N. Narasimha Rao

Commissioner of Income-Tax. 27/10

The Government of India have agreed that the existing arrangement whereby relief from double incometax is afforded in respect of the salaries of the servants of the Government of India and the Mysore Government should be extended to

pensions of retired officials of the Government of India and of the Mysore Government." According to this arrangement which came into effect from 1st July 1924 British pensioners residing in Mysore will pay to the Mysore Government the tax on their income and to the British Indian Government only the difference between the British Income-tax payable on the pension and the tax levied thereon in Mysore; while Mysore pensioners living in British India will pay tax only to the Government of India and will pay/tax no to Mysore Government on their pensions so long as the Mysore rates are lower than those of British India.(Government Order No.Fl. 326-36/I.T.23-21-13, dated 18th July 1924).

Relief from double income-tax in respect of income from interest on securi-ties of the Govern-ment of Mysore.

In exercise of the powers conferred by section 60 of the Indian Incometax Act, XI of 1922, the Governnor-General in Council has exempted the interest on Mysore Durbar Securities from the tax payable under the said Act and it shall not be taken into account in determining the total income of an assessee for the purposes of the said Act in British India(Indian Incometax Manual, 1922, page 75 and 76(a).).

18.A. Double Incometax Relief in respect of Interest on Debentures and Securities.

Assessing Officers are informed that an arrangement has been entered into with the Government of India for the grant of relief from double Incometax of incomes taxed both in British India and Mysore State in respect of interest on Debentures or on Securities other than those of the Government of India or of the Mysore Government, under which "the Government within whose jurisdiction tax is collected on the interest on Debentures or on Securities will retain the tax and allow any refund that may be due under Section 48 of the Indian Incometax Act or its Mysore counterpart, while the Government within whose jurisdiction the interest is received will include it in the 'total income' of the assessee concerned for the purpose of fixing the rate of, and liability to, tax, but waive its claim to levy tax in respect of such interest. In the case of tax-free securities, the Government in whose jurisdiction the interest is received will waive its claim to levy tax taking account of it for the purpose of determining the 'total income' of the assessee".

(L.S.G.Secretary's letter No.Fl.2522-I.T.12-37-2, dated 1st November 1937).

19. The Government of India have agreed that in

the case of businesses whose headquarters are in British India but which have branches in Mysore or carry on business in Mysore, a deduction shall be made from the Indian Incometax payable on the profits of such businesses, of the amount of Mysore Incometax that would be payable on such portion of the same profits as appear to the Incometax Officer in British India to be due to transactions in Mysore. Businesses with headquarters in Mysore which have branches or dealings in British India should be assessed by the Incometax authorities in British India to the full amount of Indian Incometax due on the profits in British India only(Government Order No.Fl.704-I.T.23-23-8, dated 29th July 1924).

In order that there should be a check on delays, it has been decided that the assessment should not be further deferred if no such observations are received within a period of one month. (L.S.G.Secretary's No.7289-I.T.32-36-10, dated 29th June 1938.).

Dear Sri Srinivasan,

SUBJECT: Compilation of Agreements, Acts etc., existing between this Government and the Government of India.

With reference to your D.O. letter No. 3756-68/C.B. dated 14-10-1949 regarding the above, I write to state that copies of agreements between this Government and the Government of India are not available in this office in regard to any of the items referred to therein.

I, however, enclose herewith a note indicating the procedure in vogue in regard to the items mentioned.

A. There are no such

Agreement between the Govt of India and Mysore in the matter of coinage and currency

CURRENCY AND COINAGE - ARRANGEMENT FOR THE SUPPLY OF SMALL COINS.

Under the Mysore Coinage Act VII of 1900, the coins of the Government of India are legal tender in Mysore State also. This also applies to currency notes of the Government of India and of the Reserve Bank of India. All the soiled notes are periodically remitted by the Treasuries to the Imperial Bank of India, Bangalore, which has a currency chest of the Government of India. The Imperial Bank also issues new and issuable notes and coins for the use of the State Treasuries. As regards supply of small coins required by the Treasuries, necessary indents are sent by this office to the Issue Department of the Reserve Bank of India, which arranges for their supply at the required places, free of cost.

FLOATATION OF LOANS.

Floatation of a Loan is ordered by the Government in the Finance Department and the Loan Notifications are issued by the Financial Secretary. After the receipt of the Loan Notification from Government, necessary further action is taken by this office to arrange for the issue of circular instructions to the Treasuries and Receiving Banks, in regard to receipt of Subscriptions, Issue of Bonds, and maintenance of accounts connected with it.

By reciprocal arrangements, there is a procedure of paying interest on our Securities at the Indian District Treasuries and this facility applies to Loans floated prior to 1st April 1937 only.

SALE OF SECURITIES:

According to the Agreement between the Imperial Bank of India and this Government, sales or purchases of securities should, as far as possible, be entrusted to that Bank, but, with a view to have the benefit of competitive rates, in a limited manner,

the practice was to call for quotations from other prominent brokers also and the best ~~offer~~ offer used to be accepted.

Recently, the Ministry of States, Government of India instructed this Government in their letter No.D3586/Econ/49 dated 5th May 1949, that the Central Government should be consulted before embarking on large scale sales of securities. They have also laid down that the sale of such securities should be effected through the Reserve Bank of India, instead of calling for quotations.

Bangalore, Date 24th October, 1949.

To

Sri. K. Srinivasan, B.Sc.,
Chief Secretary to the Government of Mysore,
Bangalore.

Sir,

Subject:- Import and Export Control - Wireless.

With reference to your D.O. letter No. 3756-68/C.B. dated 14-10-1949 on the above subject received in this office on 17-10-1949, I write to state that the question of issuing separate import licenses was not being taken up by this Department in view of paragraph (3) of the letter No. D3/P&T.11-30-5 dated 30-6-1932 from the Government and Government Order No. G.4843-85-P.P. 72-25-18 dated 12-11-1926 (copies enclosed herewith for ready reference). However, the Posts and Telegraphs Department are issuing separate Import Licenses, under the Indian Telegraphy Act and Rules framed thereunder.

No special permission is required to remove a wireless telegraphy apparatus to a place outside the State limits. But it is binding on every licensee to inform this office of any permanent change of location of the wireless apparatus. A breach of this condition is punishable under the Mysore Wireless Telegraphy Act IV of 1937 and Rules framed thereunder.

Yours faithfully,

R. Ramakrishna.

3. As regards the application for importing wireless apparatus, this comes within the purview of Government Order No. G.4843-85/P.F.72-25-18 dated 12th November 1926 where the issue of a Broad-cast Receiver license would imply the grant of permission to import the necessary apparatus. Further, since the validity of the executive orders depends on legislation, no object is served in merely modifying Government Orders for a few stray individual cases.

THE MYSORE TREATY, 1913.

THE MYSORE TREATY, 1913.

Treaty between the BRITISH GOVERNMENT *and* HIS HIGHNESS MAHARAJA SRI KRISHNARAJA WADIYAR BAHADUR, the IV., G.C.S.I., MAHARAJA OF MYSORE, *and his successors, executed on the one part by the* HONOURABLE LIEUTENANT-COLONEL SIR HUGH DALY, K.C.I E., C.S.I., *in virtue of the full powers vested in him by the* GOVERNOR-GENERAL OF INDIA IN COUNCIL, *and on the other part by* HIS HIGHNESS MAHARAJA SRI KRISHNARAJA WADIYAR BAHADUR *aforesaid, in person, 1913.*

Whereas the Rulers of the territories of Mysore have, since the restoration to them of the said territories in 1881, evinced their zeal and attachment to the Crown, and whereas the administration of the Mysore State has been conducted during the past thirty-two years to the satisfaction of the British Government, and whereas, in order to mark the high esteem in which His Highness the Maharaja is held by the British Government, the Governor-General of India in Council is desirous of making certain changes in the conditions laid down at the time of such restoration, the following Articles are hereby agreed upon :—

ARTICLE 1.

The Maharaja Sri Krishnaraja Wadiyar Bahadur and those who succeed him in manner hereinafter provided shall be entitled to hold possession of, and administer, the said territories perpetually, subject to the conditions hereinafter prescribed.

ARTICLE 2.

The succession to the administration of the said territories shall devolve upon the lineal descendants of the said Maharaja Sri Krishnaraja Wadiyar Bahadur, whether by blood or adoption, according to the rules and usages of his family, except in case of disqualification through manifest unfitness to rule:

Provided that no succession shall be valid until it has been recognized by the Governor-General in Council.

In the event of a failure of lineal descendants, by blood and adoption, of the said Maharaja Sri Krishnaraja Wadiyar Bahadur, it shall be within the discretion of the Governor-General in Council to select as a successor any member of any collateral branch of the family whom he thinks fit.

ARTICLE 3.

The Maharaja Sri Krishnaraja Wadiyar Bahadur and his successors (hereinafter called the Maharaja of Mysore) shall at all times remain faithful in allegiance and subordination to His Imperial Majesty the King Emperor of India, His Heirs, and Successors, and perform all the duties which in virtue of such allegiance and subordination may be demanded of them.

ARTICLE 4.

The British Government having undertaken to defend and protect the said territories against all external enemies, and to relieve the Maharaja of Mysore of the obligation to keep troops ready to serve with the British Army when required, there shall, in consideration of such undertaking, continue to be paid from the revenues of the said territories to the British Government an annual sum of Government Rupees thirty-five lakhs in two half-yearly instalments.

ARTICLE 5.

The British sovereignty in the island of Seringapatam having ceased and determined, the said island shall continue part of the said territories, and be held by the Maharaja upon the same conditions as those subject to which he holds the rest of the said territories.

ARTICLE 6.

The Maharaja of Mysore shall not, without the previous assent of the Governor-General in Council, build any new fortresses or strongholds, or repair for military purposes the defences of any existing fortresses or strongholds in the said territories.

ARTICLE 7.

The Maharaja of Mysore shall not, without the permission of the Governor-General in Council, import, or permit to be imported, into the said territories, arms, ammunition or military stores, and shall prohibit the manufacture of arms, ammunition and military stores throughout the said territories, or at any specified place therein, whenever required by the Governor-General in Council to do so.

ARTICLE 8.

The Maharaja of Mysore shall not object to the maintenance or establishment of British cantonments in the said territories whenever and wherever the Governor-General in Council may consider such cantonments necessary. He shall grant free of all charge such land as may be required for such cantonments, and shall renounce all jurisdiction within the lands so granted. He shall carry out in the lands adjoining British cantonments in the said territories such sanitary measures as the Governor-General in Council may declare to be necessary. He shall give every facility for the provision of supplies and articles required for the troops in such cantonments, and on goods imported or purchased for that purpose no duties or taxes of any kind shall be levied without the assent of the British Government.

ARTICLE 9.

The Military Force employed in the Mysore State for the maintenance of internal order and the Maharaja's personal dignity, and for any other purposes approved by the Governor-General in Council, shall not exceed the strength which

the Governor-General in Council may, from time to time, fix. The directions of the Governor-General in Council in respect to the enlistment, organisation, equipment and drill of troops shall at all times be complied with.

ARTICLE 10.

The Maharaja of Mysore shall abstain from interference in the affairs of any other State or Power, and shall have no communication or correspondence with any other State or Power, or the Agents or Officers of any other State or Power, except with the previous sanction and through the medium of the Governor-General in Council.

ARTICLE 11.

The Maharaja of Mysore shall not employ in his service any person not a native of India without the previous assent of the Governor-General in Council, and shall, on being so required by the Governor-General in Council, dismiss from his service any person so employed.

ARTICLE 12.

The coins of the Government of India shall be a legal tender in the said territories in the cases in which payment made in such coins would, under the law for the time being in force, be a legal tender in British India; and all laws and rules for the time being applicable to coins current in British India shall apply to coins current in the said territories. The separate coinage of the Mysore State, which has long been discontinued, shall not be revived.

ARTICLE 13.

The Maharaja of Mysore shall grant free of all charge such land as may be required for the construction and working of lines of telegraph in the said territories wherever the Governor-General in Council may require such land, and shall do his utmost to facilitate the construction and working of such lines. All lines of telegraph in the said territories, whether constructed and maintained at the expense of the British Government, or out of the revenues of the said territories, shall form part of the British telegraph system and shall, save in cases to be specially excepted, by agreement between the British Government and the Maharaja of Mysore, be worked by the British Telegraph Department; and all laws and rules for the time being in force in British India in respect to telegraphs shall apply to such lines of telegraph when so worked.

ARTICLE 14.

If the British Government at any time desires to construct or work, by itself or otherwise, a railway in the said territories, the Maharaja of Mysore shall grant such lands as may be required for that purpose, and shall transfer to the Governor-General in Council plenary jurisdiction within such land; and no duty or tax whatever shall be levied on through traffic carried by such railway which may not break bulk in the said territories.

ARTICLE 15.

The Maharaja of Mysore shall cause to be arrested and surrendered to the proper officers of the British Government any person within the said territories accused of having committed an offence in British India, for whose arrest and surrender a demand may be made by the British Resident in Mysore, or some other

officer authorised by him in this behalf; and he shall afford every assistance for the trial of such persons by causing the attendance of witnesses required, and by such other means as may be necessary.

ARTICLE 16.

Plenary criminal jurisdiction over European British subjects in the said territories shall continue to be vested in the Governor-General in Council, and the Maharaja of Mysore shall exercise only such jurisdiction in respect to European British subjects as may from time to time be delegated to him by the Governor-General in Council.

ARTICLE 17.

The Maharaja of Mysore shall comply with the wishes of the Governor-General in Council in the matter of prohibiting or limiting the manufacture of salt and opium, and the cultivation of poppy, in Mysore; also in the matter of giving effect to all such regulations as may be considered proper in respect to the export and import of salt, opium and poppy-heads.

ARTICLE 18.

All laws and rules having the force of law, which existed at the time of the restoration of the said territories in 1881 and are shown in the schedule hereto annexed, shall, in so far as they are in force at the date of this Treaty, be maintained and efficiently administered, and, except with the previous consent of the Governor-General in Council, the Maharaja of Mysore shall not repeal or modify such laws, or pass any laws or rules inconsistent therewith.

ARTICLE 19.

No material change in the system of administration now in force shall be made without the consent of the Governor-General in Council.

ARTICLE 20.

All title-deeds granted and all settlements of land-revenue made during the administration of the said territories by the British Government, and in force at the time of the rendition of the said territories, shall be maintained in accordance with the respective terms thereof, except in so far as they may be rescinded or modified either by a competent Court of law, or with the consent of the Governor-General in Council.

ARTICLE 21.

While disclaiming any desire to interfere with the freedom of the Maharaja of Mysore in the internal administration of his State in matters not expressly provided for herein, the Governor-General in Council reserves to himself the power of exercising intervention, in case of necessity, by virtue of the general supremacy and paramount authority vested in him, and also the power of taking such precautionary or remedial action as circumstances may at any time appear to render necessary to provide adequately for the good government of the people of Mysore or for the security of British rights and interests within that State.

ARTICLE 22.

This Treaty shall supersede all other documents by which the position of the British Government with reference to the said territories has been formally recorded. And if any question arise as to whether any of the above conditions has been

faithfully performed, or as to whether any person is entitled to succeed, or is fit to succeed, to the administration of the said territories, the decision thereon of the Governor-General in Council shall be final.
